VOLUNTEERS

West Moors Befrienders urgently need more volunteers.

Can you spare a few hours a week to make a friendly phone call to isolated residents or maybe visit them in their own homes for an hour now and then.

There are lots of lonely, elderly residents in West Moors who would have their lives enhanced by a friendly phone call or visit.

All volunteers must be prepared to have an enhanced CRB check.

If you can help please call or e-mail our Volunteer Project Manager
